(b) the details of achievements made actually in the production so far;

†Original notice of the question was received in Hindi.

(c) whether there has been decrease in production of petroleum products during the Tenth Five Year Plan;

(d) if so, the reasons therefor;

(e) whether Government are considering to increase production of petroleum in the country;

(f) if so, the schemes formulated by Government in this regard; and

(g) the quantum funds spent by Government in the implementation of these schemes during the current year?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI MANI SHANKAR AIYAR): (a) As the refinery sector has been delicenced, the Tenth Plan document of the Planning Commission has not set the target for the production of petroleum products during the Tenth Five Year Plan.

(b) The details of actual production of petroleum products during the first three years of the Tenth Five Year Plan are given below:—

Period	Quantity in million metric tonnes (MMT)
2002-03	108.7
2003-04	117.6
2004-05	122.7

(c) No, Sir.

(d) Does not arise in view of (c) above.

(e) Yes, Sir.

(f) and (g) The production of petroleum products is proposed to be increased through expansion of existing refineries and setting up of new refineries in the country. An amount of Rs. 1902 crore has been spent by the Public Sector Oil Companies on these schemes during the current year.
